--	--

CreditWorld.Biz Debt Paydown Calculator, version 1.0. Copyright 2002, 2003 Credit World, Inc. All rights reserved. This calculator is provided free of charge, as is. This calculator is based on monthly compounded interest calculation methods employed in the United States, and is intended to give estimates of your payments. Actual amounts may vary, especially where a debt does not compound interest monthly, and in countries with different methods of interest calculation and rounding. No warranty, expressed or implied, is made concerning the suitability of this calculator or the accuracy of its calculations on specific systems.

Unleash the full power of this calculator and much more with the *Conquer Debt Now!* manual, as a set of downloadable Acrobat PDF files at <http://www.CreditWorld.Biz>. Please also follow the "Feedback" link at our main website to leave comments about this calculator, and about any other offerings you'd like to see. We're always looking for ways to improve what we provide. "We're In the Credit World Biz!"™
