

## **Easy Brander**

Easy Brander is FREEWARE. You can use and/or distribute Easy Brander FREE of charge. Enjoy!

### **Overview**

Easy Brander gives you the ability to add an HTML advertisement to any .EXE software. This is a great way to generate leads and increase sales for your Internet business.

Easy Brander is SUPER easy to use...

Simply brand and distribute your branded .EXE software. Your advertisement will be displayed in a pop-up window on the end users computer screen once they install and/or run the branded software!

### **Instructions**

Step 1. Enter Source EXE File to Brand

Step 2. Enter Name of Branded File

Step 3. Enter Your Advertisement URL

Step 4. Set Height & Width Of Pop-Up

Step 5. Click Brand to Generate File
