

READ ME

Version 2.01 (May 21, 2016)

Created by Winterstorm2050 (France) – Revisited and translated by Enea (Italy)

WinReducer was developed on my free time with the feedbacks and the support of many WinReducer forum members. So, please respect this work and do not try to use it in another way which I programmed it for.

1. LICENSE AGREEMENT

WinReducer is freeware.

You should read carefully the following terms and conditions before using this software :

- . This software, and all accompanying files, data and materials, is given "AS IS" and with no warranties of any kind, whether express or implied. In particular, there is no warranty for user-defined data integrity: the user must assume the entire risk of using the program. This disclaimer of warranty constitutes the essential part of the agreement.
- . All WinReducer builds should be consider as preliminary, it is usable only for testing.
- . You can distribute copies of this software. The sale of this software or trying to modify it are strictly forbidden.
- . To use all necessary Third-Party Software tools, you absolutely accept all individual licence agreements of these Third-Party Software tools created by their respective developers.

If you do not agree to any of the terms of this license agreement, then do not install, distribute or use this copy of the software.

2. MINIMUM REQUIREMENTS

- Operating System: (consult the WinReducer.net website)
- Screen Resolution: 1024 × 768 or higher (*High DPI support available*)
- Memory: 5 Mb (*Compatibility Mode*) or 30 Mb (*WinReducer GUI Themes*)
- Internet Connection: required to download WinReducer resources (*like updates*)
- Languages Supported: all
- Third-party software: (see § 3)

3. THIRD-PARTY SOFTWARE

WinReducer may need external tools to achieve many tasks.

All of these Software are automatically downloaded and configured during the 1st installation. So it is not necessary to download and install them manually !

To understand the WinReducer Installation Procedure, you absolutely need to read carefully the dedicated WinReducer.net website tutorial !

The installation procedure is exactly the same for all WinReducer Software.

This is the list, and respective website, of all third-party software tools needed by WinReducer Software :

- **7zip**

<http://www.7-zip.org/>

- **Dism and Oscdimg**

<https://msdn.microsoft.com/en-us/windows/hardware/dn913721.aspx>

- **Resource Hacker**

<http://www.angusj.com/resourcehacker/>

- **SetACL**

<http://helgeklein.com/>

4. THANKS

I really want to dedicate all WinReducer Software to all of you who enjoy customizing their Windows OS ! And especially to all WinReducer forum members, thank you so much guys !!!

Also thanks to all developers for creating the useful third-party software on which is based WinReducer. So, do not hesitate to help them in the way you prefer, starting by visite their respective websites.

5. DONATION

If you like my work, you could help the website and support me by using this page:
